About This Game

Piggy Pogy Pog - is quite a complex, nice-looking 2D platformer in which you must escape from the farm playing for a pig named Pogy . In this game you go through the levels, collecting a certain number of acorns. After you collect all the acorns on the level, you have go to the next level. Be careful on your way there are various traps, such as sharp peaks and life-threatening Pogy plant. Coming into contact with them, the pig will instantly die and the level starts over. Try your luck and maybe you will get off this damn farm...
